Wall Street was down throughout the day ending the day with lower: the Dow Jones fell 0.03% and the Nasdaq 0.14%. According to the final results of closing, the Dow Jones Industrial Average fell 5.43 points, to 17,875.42, units and the Nasdaq, 7.08 points, to 4910.23 units. The index expanded S & P 500 fell 0.21%, 4.29 points, to 2076.33 units.

In high at the opening, following the trend of the major exchanges in Europe and Asia, the New York market ended up losing strength, with the lack of relevant informações. "We followed within very adjusted margins, of which the market does not see any reason to leave," said Kenny Landgraf, the Kenjol Capital Management.

The bond market closed up. The yield on Treasury bonds to 10 years fell to 1.885%, against 1.898% Monday evening. Bond yields to 30 years closed at 2.520%, 2.556% against the previous close.
